## **Events Director Position**

All were in favor of Chris Kliewer taking over this position

## **Web site –**

Greatplainslacrosse.org.

Julie is continuing to work on. You can log on and view progress

Please look at the calendar section to get a sense of how we can best utilize this section

Email addresses for board members are loaded. Email will be forwarded to your account

## **Massive Playbook –**

To be used as our communications tool to membership

Faster than US Lacrosse – they take two weeks

Membership email addresses have been imported.

There can be up to 5 categories

We currently have board and membership

We also have the potential to gain revenue from this by getting sponsors to support the site

Massive playbook takes a percentage, rest comes back to us.

We will have a link to US lacrosse for people to join US Lacrosse and then are automatically on our email list.

Will look into having another way to be on our email list.. without having to join US Lacrosse.

Potential sponsors include:

Dick's Sporting Goods

## **Action Item:**

**\*\*\*We need to put together demographics of our membership for potential sponsors to review  
We are looking for a volunteer to take this on and set up sponsorship committee to go into the  
community and look for potential sponsors. Now would be the time to make phone calls.**

## **Other Fundraisers:**

1. Have a regional clinic with local talent Yes the market is saturated with camps and clinics.. possibly the fall would be good time frame
2. Hall of Fame Dinner – revamp as a nice dinner and charge \$75 per person. Cover our expenses and the rest would be profit. Possibly have auction items, sell raffle tickets. Encourage people to bring guests and spouses. Fall time frame for the Hall of Fame announcements and dinner.

## **Hall of Fame Committee**

Eric Olson will head up

Jay Coleman will be on the committee

We need to have someone representing the Women as well

If you are interested please contact Eric at [eolson73@gmail.com](mailto:eolson73@gmail.com).

Kevin Gray has said we could participate in the KC Sports Commission Annual PROPS Awards which recognizes local athletes and sports personalities for their achievements and contributions to the Kansas City area. The Event usually takes place Mid – July.

  - a. KCYLL is currently planning these. Jessica can help Hunter with the girls side
6. All groups work together more... camps and clinics all over the place at all times.. become saturated and no one has excellent attendance. .This should be alleviated now that we have Chris as Events Director. Push people to run all camps dates through **Chris..** check a Master Calendar so coaches, and camp directors know events already booked.
7. Expansion of boys High School teams – **Kevin**
  - Go to schools such as St. James, Miego, and talk about building their own programs
